TOP SECRET

Congratulations! You have received a Snow Day and school is canceled for the day. Your mission, should you choose to accept it, is:

Cook Up Something Fun

Since you're going to be stuck inside most of the day, you might as well cook something! Ask an adult to help you cook one of your favorite recipes or learn something new together!

Make something easy or make something hard! Just make SOMETHING!

Write the recipe down to share with your class! We're all cooking up something fun on this snow day!

If you are successful with this mission, you will earn a handsome reward!
